

The Catalogue

JSC Zina knitting are a traditional family run company, with strong family values, with over 20 years experience in producing the highest quality knitwear to exceed our customers expectations using the latest technology and techniques at an affordable price within a timescale to suit our clients at home and all over the world.

For fulfilment orders we use Stoll knitting machines: 3gg, 5gg, 7gg, 12gg and all necessary equipment for finishing the product.
